One Rockwell West Tower, Rockwell Dr, Makati, Metro Manila, Makati, Metro Manila

One Rockwell East Tower is a condominium in Rockwell Center, Makati, Philippines. The building will be part of the One Rockwell building complex. It is the smallest in the complex and it stands 165 m (541 ft) tall. It is also the very first in the country to introduce the Z-shaped unit, an innovation by local architect Pimentel Rodriguez, Simbulan & Partners. The Z-Loft unit has a living area of about 70 square meters and is equipped with Wi-Fi Internet and cable TV. For added convenience and pride, this stunning 45-storey tower offers young and upwardly mobile residents state-of-the-art amenities, which include two swimming pools that are located on the ground and 41st floors, a kiddie pool, a two-storey private gym club, children's playground, a sky deck on the 41st level, and function rooms on the third floor. Added condominium features include six high-speed elevators, an elegant hotel lobby with concierge, 24/7 security, and an underground private access to Power Plant Mall.
